

DIGITAL LEGACY PLANNING

Make Life Easier for the People You Love.

Planning for the future is about more than writing a will. Make sure your family knows what matters and where to find it. Organize your legacy in one secure place through First City Bank's partnership with Paige.

PUT YOUR PLANS IN ONE PLACE

► Create a Will

Build a legally valid will in about 15 minutes, name guardians for your children, and specify care directives.

► Secure Everything

Keep important documents, passwords, financial information, and healthcare preferences in one place.

► Leave Your Wishes

Share personal messages, family stories, and the guidance you want loved ones to receive when it matters

Everything Included with Paige

Legacy Planning

- * Create a will online
- * Guardian designations
- * Healthcare preferences
- * Financial instructions

Secure Digital Vault

- * Document storage
- * Password management
- * Secure sharing with trusted contacts
- * Personal messages and family memories
