

BUSINESS CONTINUITY PLANNING

Protect the Business You've Built.

Your business depends on the knowledge, decisions, and relationships you've built over time. Paige helps you organize important information, document your plans, and give the people you trust the guidance they need to help carry things forward.

WHEN OTHERS NEED TO STEP IN

Organize What Matters

Keep business documents, financial information, and important records together in one secure place.

Plan for What's Next

Document your succession plans, decision-making process, and the steps others need to follow.

Give Others Direction

Help your family, partners, and employees know where to find information and what to do when it matters.

Everything Included with Paige

- ✓ Record succession plans and business instructions
- ✓ Share access with trusted contacts
- ✓ Help protect employees, customers, and partners
- ✓ Store important business documents
- ✓ Organize operating agreements, insurance policies, and key information
- ✓ Keep personal and business records together
